Introduction

Navodit Vidya Kunja Secondary School and Navodit College are running under the navodit education network and its aim to provide quality education. Navodit College is a highly regarded English & Nepali medium co-educational school/college, located at Samakhusi kapoordhara in Kathmandu. It was established in 1993 and affiliated to HSEB in 2057 and from Tribhuvan University in 2067. It has been regulated under the team of trained academicians, professors, distinguished educators, social workers and entrepreneurs with sole objective of providing world class education. It has become the center of learning for quality education. The school/college offers +2 programs in Science, Management, Humanities, Law and Education stream. It has also run the BBS/B.A./BSW & MBS program affiliated to Tribhuvan University. Navodit holds secular and democratic values. We promise to provide quality education to the students as the need of new millennium. We have been preparing to expand our horizons. In the 21st century, our accomplishments have been directed towards making our student: self reliant, flourishing and secure.

Message From Chairman

Kedar Nath Khanal

MA, TU

Congratulation to all the SEE graduates. Heartiest welcome to you all in this college, where enlightenment leads to empowerment, in the field of education. We are providing education with latest teaching methodology which includes regular class room teaching and training with audio and visual, tutorials in small groups for personalized attention. Navodit gives priority to all the curricular activities so as its student excel in the nationally and internationally conducted competitions.

The biggest challenge faced by the educators of today is to prepare students for the challenges of a globalised world. They also need to be good communicators, be able to relate well with other people and to think critically and creatively. Navodit is committed towards imparting these skills. Your co-operation and participation will help us to reach in destination.

Message From

Principal

Rajendra Adhikari MA, TU

“Education is the most powerful weapon which you can change the world-“ Nelson Mandela. Education is the movement from darkness to light. The role of Navodit College is not only pursue academic excellence but also to motivate and empower its students to be life long learners, critical thinkers and productive members of an ever-changing global society. A college must try to provide its students with an atmosphere for multifaceted development where students are encouraged to channelize their potential in the pursuit of excellence. While academic excellence is our major thrust, the Navodit College is also devoted to prepare our students for life, groom them to face the challenges of tomorrow and encourage them to be socially relevant.

I am confident that Navodit College will always be a beacon of light. If you are deserving and dedicated to have value based education, Navodit is ready to craft you a part of its excellence.

Message From

Vice-Principal

G. B. Adhikari MBS, TU

Navodit College takes great pride in delivering the best possible educational opportunities for those students to attend the college. We believe every student can achieve academic success and have an extensive pastoral care network to help them achieve to their potential. A strong partnership with home is a key factor in this goal and we encourage parents and families to take an active interest in their child's achievements at College. Working together we can help our young people to develop their individual strengths and identities and build the confidence to be able to contribute to society.

A strong culture of community exists in the College and we have clear standards and expectations for all members of the College community.

We place great importance on students being engaged in their learning and developing a pathway through their College career that sets them up for success in their future.

While academic achievement is very important, we also recognize the value of learning which occurs outside the classroom. We support and encourage a diverse range of sporting and cultural activities and our students achieve success at both regional and national level in a wide range of activities. As a result, the learning teaching experience here is much more active and participatory.

We firmly believe Navodit College provides an excellent educational environment for its students and welcome new enrolments or inquiries about the college. Looking forward to your positive response

Our Mission

TU Nepal Topper

To be truthful, I believe a vibrant and homely learning environment is what students expect from Navodit college and I am grateful to claim that I have never been held down from that expectation by Navodit college since I joined here. After SLC, I was in dilemma about choosing the appropriate college to study management then gratefully I stepped into the educational world of Navodit.

Navodit is an incredible composition of education, skills, fun, friendship and self development. The college possesses energetic, experienced teachers, sound management and platforms for extra-curricular activities too. But, the thing I love the most about Navodit is its friendly and free environment which helps students to think out of the box. I am grateful to Navodit family for my accomplishment.

Sarina Maharjan

HSEB Board, 2073

Navodit College provides students with opportunities and challenges that help them develop and grow inside and outside the classrooms. The college actively seeks innovative ways to reach out to learners. Creative thinking and problem solving are central to the academic programs at Navodit College. Learning takes place in an environment where students can thrive. All the teachers are well trained, experienced and qualified so that they teach well. This helps to have a bright future. The best management facilities of Navodit College attract more and more students every year.

Ramesh Khatri

2073, TU Board

"Navodit college is the best place to learn given its friendly and competent faculty members, peaceful environment and state-of-the-art teaching methodologies, it is also an equally best place to develop skills through extra-curricular activities. Here in Navodit, I have had the amazing experience of learning through the guidance of supportive faculty members. It helped me to discover my true potential. Moreover, being in Navodit College got me an opportunity to expand my knowledge and learn skills that would eventually make me a responsible member of the society. Navodit is the right place for anyone whose quest is quality education. I consider myself lucky to be a part of it."

New Programs

Navodit, a trained child of deeply committed and dynamic professors and academicians is highly encouraged with the achievements of nearly two decades. We are highly encouraged to achieve further outstanding performance in the academic domain in the future. Presently, we have introduced Masters Level programs in MBS affiliated to Tribhuvan University & we have launched Special Law Program in +2 level. It has a clear vision for its long-term programs in different kinds of career-oriented courses and training.

Audio Visual Lab

We have Audio Visual Aids with multimedia projector, power point demonstration, Midas E-Class Interactive Library. It is used to make more effective teaching and learning activities to the students.

Infrastructure

We have three buildings with spacious and well-equipped classrooms. We have well-furnished Hotel Management Lab, Computer Lab, Mass Communication Lab and well-facilitated Library and First aid facilities in the college.

Commitment

To provide education at the forefront of professional practice so as to realize the creative personality of students & make them worthy citizens.

Admission Criteria

Application for admission will be called from the eligible students. Selection will be based on entrance score, percentage and interview.

Eligibility

Students seeking admission in Navodit School are required to present the education profile as stipulated and Certificate of previous class and entrance test of Navodit.

Extra & Co-curricular Activities

Games such as basketball, volleyball, cricket, football and many more meet the students' need of extra-curricular activities. Students can also take part in cultural and co-curricular activities like poetry, music, debates, quiz contests as well as educational field trips and excursions.

Technology enhanced environment

Navodit has adopted a forward thinking approach to learning imparting quality education is impossible without adapting modern scientific technology. We have smart classrooms for smart children. As such our classrooms are technology enhanced. We use modern scientific gadgets like projector, smart interactive boards, overhead projectors, etc while conducting our regular classes the school hosts spacious and well equipped computer lab with internet access, Audio visual room, Library and active learning.

Scholarship Scheme

Navodit provides scholarship programs considering academic excellence and performance. This college offers scholarship to the distinction holders, martyr's son and daughter of public movement in 2062, District topper, School topper, Remote areas students, Dalit scheduled caste and other deserving and challenging students.

Sports and Games

The college is furnished with Volleyball, Badminton, Basketball, Table Tennis & besides that Chess competition, Quiz contest, Questions and Answer tournaments are its intelligent promotional programs. We will operate annual game competition intra and inter college.
